

## Psychiatrist

### Centre Profile:

**Ontario Shores Centre for Mental Health Sciences** is a public hospital that serves a population of 2.8 million residents and employs over 1000 people. Ontario Shores Centre provides a range of specialized mental health programs for inpatients and outpatients through-out a primary service area. Ontario Shores Centre also operates treatment residences in Stouffville and Oshawa; provides specialized community outreach services; and supports residents in privately operated Homes for Special Care. In addition, the Centre is actively involved in mental health research and education activities. Our core values of ***Excellence, Innovation, Safety, Respect and Community*** underline everything we do at Ontario Shores Centre. With our expansion of services and the continued growth in the community, our dedicated and highly skilled staff demonstrate these values daily.

### Position Summary:

We are always seeking excellent full-time Psychiatrists to join our existing team of over 30 psychiatrists, general practitioners and dentist. Ontario Shores Centre offers a broad range of programs including *Assessment and Reintegration, Adolescent and Dual Diagnosis, Integrated Forensic System, and Special Services* (including Seniors Mental Health and Memory disorders) featuring inpatient, outpatient and outreach services and programming.

The Psychiatrist works with a multidisciplinary team to help the patients achieve the earliest successful community reintegration at the most independent level.

### Qualifications:

Candidates must be eligible for licensure in Ontario and have obtained specialty qualification from the Royal College of Physicians and Surgeons of Canada or recognized equivalent. Because Ontario Shores Centre is developing a teaching and research agenda, an interest in academic cross appointment would be a distinct advantage.
