

Forensic Geriatric Day

Continuing Medical Education Course

Friday, April 29, 2016

Ontario Shores Centre for Mental Health Sciences is hosting a morning to bring greater awareness and understanding of forensic mental health. This event is a great opportunity for those who work with the seniors' population in the health, long-term care social services and the justice sector as well as the general public.

8:00 a.m. to 12:00 p.m.
