

Quick Tips: How to Create an Email Account

There are many free email services available. Here are some tips for creating a Gmail account.

You may access the following link: Google (Gmail Account):

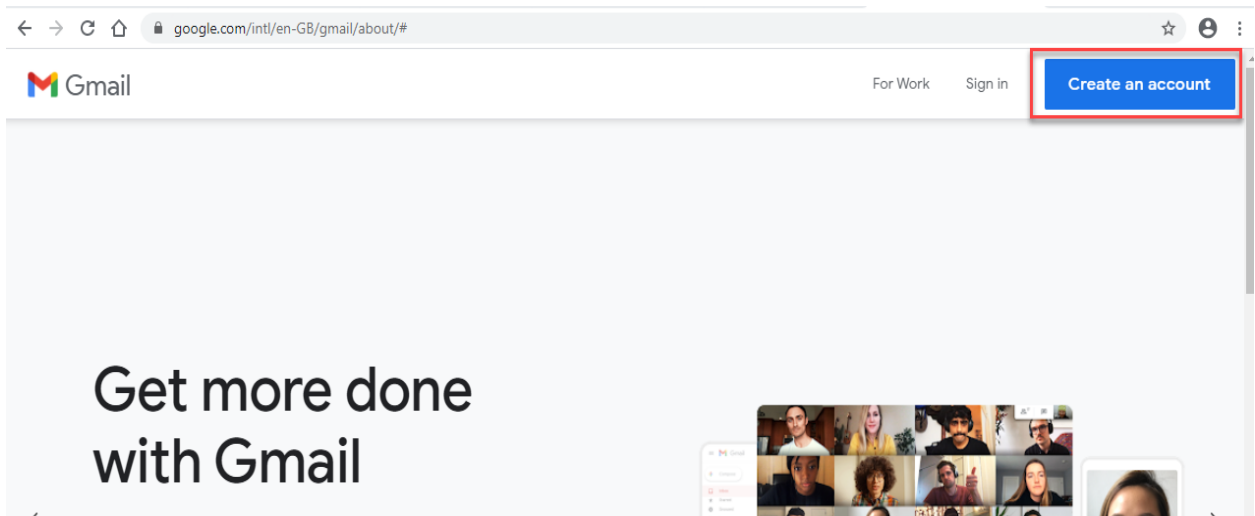

<https://accounts.google.com/SignUp>

Setting up a Gmail account:

1. To create a Gmail address, you'll first need to create a Google Account.
2. Gmail will redirect you to the Google Account sign-up page.
3. You'll need to provide some basic information like your name, birth date, gender, and location.
4. You will also need to choose a name for your new Gmail address.
5. Once you create an account, you'll be able to start adding contacts and adjusting your mail settings.

To create an account:

1. Go to www.gmail.com
2. Click Create an account.

3. The sign-up form will appear.
4. Follow the directions and enter the required information, such as your name, birth date, and gender.

The screenshot shows the Google Account creation sign-up form. At the top left is the Google logo. Below it is the heading "Create your Google Account" and the sub-heading "Continue to Gmail". The form contains several input fields: "First name" and "Last name" (with a cursor in the first name field), "Username" (with "@gmail.com" as a placeholder), "Password" and "Confirm" (with an eye icon for toggling visibility), and a "Sign in instead" link. A blue "Next" button is at the bottom right. To the right of the form is a graphic of a blue shield with a white person icon, and below it, icons for YouTube, Gmail, and Maps. Text below the graphic reads "One account. All of Google working for you."

5. Finally, review Google's [Terms of Service](#) and [Privacy Policy](#), click the checkbox, and then click Next step.

The screenshot shows a section of the sign-up process. At the top left is the text "MORE OPTIONS" with a downward-pointing chevron. Below it is a "Cancel" link. To the right is a blue button with the text "I agree", which is highlighted with a red rectangular border.

6. Click "I agree"—Your account will be created, and the Gmail page will appear.

**Just like with any online service, it's important to choose a strong password—in other words, one that is difficult for someone to guess.
