TALENT Skills Coach 2023 Opportunities

TALENT (Ontario Tech TALENT Inc.) is on a mission to ensure a lifetime of meaningful employment for Canadians by bridging skills gaps to provide Canada's healthcare workforce with opportunities to build and enhance their job readiness.

TALENT and its partner, the Ontario Shores Centre for Mental Health Sciences, have identified critical skills gaps in mental health care and are jointly developing rapid cycle reskilling and upskilling opportunities, known as microcredentials, to meet the evolving needs of the healthcare workforce from coast to coast. Intended initially to build nursing workforce capability and capacity in mental health care, these microcredentials will also become available to other allied health professionals through a phased roll out strategy from 2024 onwards.

Division	External (posted on behalf of TALENT (Ontario Tech TALENT Inc.)

Closing Date December 16, 2022

Position Summary

Are you at a point in your nursing career where you would like to contribute to the development of the next generation of nurses and are excited about innovative ways to guide them in expanding their skills and competency? If so, TALENT's Skills Coach role might be for you!

TALENT is seeking collaborative Skills Coaches with excellent interpersonal skills, who are looking to expand their professional experience, alongside developing their own competency in skills such as performance coaching, facilitation, giving feedback, critical thinking, etc.

We encourage nurses and other regulated healthcare practitioners who are highly motivated, compassionate, professionally accountable and digitally savvy, to apply!
