Dear Mr. Mamdani:

**Re: LHSIA s. 20 Notice and Extension of Multi-Sector Service Accountability Agreement(s) ("Extending Letter")**

The Local Health System Integration Act, 2006 ("LHSIA") requires the Central East Local Health Integration Network (the "LHIN") to notify a health service provider when the LHIN proposes to enter into, or amend, a service accountability agreement with that health service provider.

The LHIN hereby gives notice and advises Ontario Shores Centre for Mental Health Sciences (the "HSP") of the LHIN's proposal to amend each and every multi-sector service accountability agreement (as described in the LHSIA) currently in effect between the LHIN and the HSP (each a "SAA").

Subject to the HSP's acceptance of this Extending Letter, the SAA will be amended with effect on March 31, 2021. All other terms and conditions of the SAA remain in full force and effect.

In accordance with section 14.11 of the SAA, the terms and conditions in the SAA are amended such that the Schedules in effect on March 31, 2021, shall remain in effect until March 31, 2022, or until such other time as may be agreed to in writing by the LHIN and the HSP.

Unless otherwise defined in this letter, all capitalized terms used in this letter have the meanings set out in the SAA.
