

Ontario Shores
Centre for Mental Health Sciences

Adult, Geriatric, Adolescent and Addictions Psychiatry

Tele-Consults Available:

Connect your Family Doctor or Nurse Practitioner to a Psychiatrist Quickly!

Your Family Doctor or NP can book their appointment to speak directly to a Psychiatrist, at www.ontarioshores.ca/bookconsult

What a Psychiatry Telephone or Videoconference Consultation Can Provide:

- Quick access to questions your Family Doctor/NP may have about your diagnosis and treatment (often same day or the next day!)
- The opportunity for your Family Doctor/NP to learn more about new or emerging treatments for your condition.
- We can let your Family Doctor/NP know if you need a full outpatient consultation with a specialist here, and exactly which of our specialists that should be!

What a Psychiatry Telephone Consultation DOES NOT Provide:

- Completion of a referral for an assessment for you.
- Appointment booking for you.
- The consult is for the Family Doctor/NP and psychiatrist only. There is no direct contact with you in this meeting.

Billing Information: K730 Physician to Physician Telephone Consultation
