

Outdoor Therapeutic Recreation Area: basketball court use

Ontario Shores

Centre for Mental Health Sciences

The court is open for anyone's use but the block of green denote times that may be booked for hospital structured activities. Should this occur staff or community using the court must give way to the patient-structured program.

Open times are to allow for the general public, patients and staff to use the court on a first come basis. There is no booking and court use will be based on first-come, first-served. Please be respectful of others waiting to use the court.
